Case: CR #84-094	Reporting Date: May 21, 1984	Reporting Agent(s): ALAN SALMON	Reviewed By: <i>[Signature]</i>
Offense: ROBBERY/MISSING PERSON	Case Agent: G. ROGERS	Office: MRO	Typed By: bsh
Subject: (S) UNKNOWN (V) DONNA DENISE HARAWAY	Activity: INTERVIEWS RE: T 601-835	Date: 5/31/84	

On May 15, 1984, Special Agent SALMON interviewed P. D. CLIFTON, 219 S. 2nd, Purcell, Oklahoma, at his office, Clifton Agency, 111 W. Main, Purcell, Oklahoma, regarding a 1977 Chevrolet pickup, VIN #CCL247S118768, that CLIFTON registered in S. CLIFTON related he purchased the vehicle from CLAUDE POWERS, Lexington, Oklahoma, on May 12, 1982. When CLIFTON bought the vehicle, it had a wench on it, but CLIFTON removed it before it was sold. CLIFTON drove the pickup to Oklahoma City and "blew up" the motor. Afterwards, he replaced the motor and DICK TUCKER, CLIFTON's former salesman, sold the vehicle for seventeen hundred and fifty dollars (\$1,750.00), possibly to a man from Texas. CLIFTON's records show only the vehicle was sold for cash. CLIFTON described the vehicle as in very good condition when he sold it. CLIFTON remembered the vehicle was white and maroon.

On May 15, 1984, Special Agent SALMON interviewed CLYDE "DICK" TUCKER, 231 Gross Ventre, Purcell, Oklahoma, at his residence. At first, TUCKER stated he had never sold any vehicles for CLIFTON. When confronted with CLIFTON'S information, TUCKER recalled selling the vehicle and admitted being a salesman for CLIFTON. TUCKER could not recall who he sold the truck to but might remember after discussing it with CLIFTON. TUCKER recalled seeing the truck without a motor and described the truck as in "rough" condition.

On May 21, 1984, Special Agent SALMON contacted JOHN STRIKE, Oklahoma Tax Commission. STRIKE will run a title history on VIN #CCL247S118768. Special Agent SALMON also requested NCIC Clerk DOUG FEEZOR to send a teletype requesting a title history in the state of California. No replies have been received at this time. Also attached to this report is a copy of the most recent registration check on that vehicle.

**NOTE:** The information from the Oklahoma Tax Commission was received on May 25, 1984 and will be attached to this report.

On June 5, 1984. LINDA MARILYN GROTKER Oklahoma State  
Bureau of Investigation Laboratory Secretary, Lawton, Oklahoma,  
giving information:

On approximately the 19th day of May, 1984 at approximately 1700 hours, GROTKER was traveling West on Lee Boulevard, Lawton, Oklahoma with her mother, IRENE GROTKER, and her sister, JENNIFER GROTKER. While traveling West on Lee Boulevard, an older model Chevrolet pickup began traveling next to the GROTKER'S vehicle for approximately three miles until the GROTKER'S turned North on 82nd Street. The Chevrolet pickup continued West on Lee Boulevard. GROTKER described the vehicle as an older model Chevrolet pickup truck, green-yellow color, dirty, dented, no license tag on the vehicle, faded red cowboy scene in rear window.

There were two occupants in the truck. The driver appeared to be taller than the passenger, very slender, blond hair parted in the middle, no beard or moustache, red shirt, later put on a straw cowboy hat, resembled composite drawing number One.

GROTKER provided the following description of the passenger: shorter than the driver, stocky, brown-blond hair just over the ears, no beard or moustache. The passenger resembled composite suspect number Two.

GROTKER had seen the composite drawings posted at the laboratory facility and felt that the occupants of the truck resembled the composites. The information was not received from GROTKER until approximately two weeks after she had seen the individuals.
